

# Poster Presentation Guidelines

## Forum of Young Researchers 2025

Thank you for contributing to the promotion of doctoral research through your participation in the poster session. Please follow the guidelines below for an optimal presentation:

### ♦ Poster Format

- **Maximum size:** A0 (84.1 cm x 118.9 cm)
- **Orientation:** Portrait only
- **Language:** English
- **Material:** Printed on rigid or flexible paper (no digital posters)
- Must be **readable from 1.5 metres away**

### ♦ Recommended Content

Your poster should be clear, structured, and understandable to a non-specialist audience. We recommend including the following:

1. Project title (short and informative)
2. Author(s) name(s), laboratory, institution
3. Introduction and background
4. Study objectives
5. Methodology
6. Results (with graphs, tables, images, etc.)
7. Conclusion and outlook
8. References (if needed)
9. Contact details or a QR code (optional)

♦ If you do not yet have results, you may present only the background and methods.

### ♦ **During the Forum**

- You must be present at your poster **for the full duration of the poster session** to interact with participants and jury members
- You may be assigned a **specific presentation time** depending on the organisation

### ♦ **Installation / Removal**

- Posters must be installed **on the morning of 5 June** (exact time to be confirmed) on designated panels
- Please remove your poster at the end of the event **on 6 June**. Unclaimed posters may be discarded.
